Greeks

Panhellenic Council

The Panhellenic Association's purposes are to maintain on a high plane sorority life and inter-sorority relations within the college; to further fine intellectual accomplishments and sound scholarship; to be a forum for the discussion of all the questions of interest in the college and sorority world; and to compile rules governing rushing, pledging, and initiations on the campus. It is an organization which binds the sororities on campus together, providing a means for them to contribute to the campus and community as a unit.

The new policy of Freshman fall rush was passed and carried out successfully on campus this year.

The Panhellenic Association also was instrumental in the establishment of the Greek Council and the re-establishment of the Morris Harvey Greek Week.

Interfraternity Council

MEMBERS: John Robertson — Advisor, Jeff Weinberg, Dave Kurtz, Kevin Naylor.

The main function of the Interfraternity Council is to govern fall and spring rush. By fostering a spirit of mutual helpfulness among the Greek organizations and promoting friendly relations, leadership, scholarship, and loyalty, the Council hopes to acquaint men with the advantages of fraternal relationships.

Alpha Sigma Phi

Alpha Omicron Pi

The Phi Kappa chapter of Alpha Omicron Pi was founded on the Morris Harvey Campus in 1961. The principles that AOTT stands on can be found in each sister, a good example of this is the sisters participation in many campus activities.

AOTT is the only International sorority on campus, there are bi-annual conventions that are international and regional. These conventions are held in various places in the United States and Canada.

Each sister of Alpha Omicron Pi is like a single flame among the many in a chandelier that is united under one common bond of true sisterhood and love. "AOTT is forever," and will be in our hearts for now and in the years to come.

The sisters of Alpha Xi Delta believe sorority membership is a set of ideals, and they strive to make these ideals an integral part of their daily lives.

Gamma Delta Phi

Gamma Delta Phi was founded on the Morris Harvey campus on October 11, 1967, by thirteen women sharing the belief that individuals can join together to establish the true meaning of sisterhood while maintaining their individuality. The sorority has continued to base itself upon this philosophy and, in doing so has proven to be a vital force, both on and off campus.

The sisters of Gamma Delta Phi are proud to have made contributions and achievements in the areas of academics, athletics, and the many other aspects of college life.

As the only local sorority at Morris Harvey, Gamma Delta Phi has been able to maintain its uniqueness by stressing individual thought, as well as uniting its members in a strong and very special bond of sisterhood.

Golden Hearts Of Sigma Phi Epsilon

The Golden Hearts of Sigma Phi Epsilon are chosen to support and participate in activities within the Fraternity. Delta Zeta

Delta Zeta was founded at Miami University in 1902 and came to Morris Harvey in 1962 combining two local sororities. The largest national sorority, our aim is to unite our sisters in bonds of lasting love and to develop outstanding characteristics both morally and socially. We are involved in the community along with our alumnae chapter and on campus, being members of the Student Government, choir, MHC Players, dorm council, Alpha Lambda Delta, Pi Gamma Mu, SNEA, Newman Club, Kappa Delta Pi, Chi Beta Phi, art guild, admissions team, Honors Program, Harveyan and Comet. We compete in intramurals consistently and won the softball intramural championship in the Spring of 1977. On November 5, 1977 all the Delta Zeta chapters in West Virginia gathered at Marshall University for the annual State Day. At this event our chapter walked away with many awards, among them are: most outstanding chapter, pledge program, Delta Zeta Loving Cup, treasurer's award, alum award, Joan Richards award, the Spirit of Delta Zeta award, and many of our sisters were recognized for their high scholastic averages. At the Morris Harvey annual honors convocation Delta Zeta won the Deans Scholarship Trophy. We the sisters of Delta Zeta feel that this poem sums up all of our feelings for each other:

Sisters love your good side
and live with your bad —
Want you and need you
When no one else knows
knows you're alive.

Golden Lamps Of Delta Zeta

The Golden Lamps of Delta Zeta sorority are men chosen by the sisters for their willingness to participate and support Delta Zeta. A male who is nominated as a Golden Lamp is one who has exhibited in a brotherly fashion the love the sisters of Delta Zeta have for one another. This group of men are noted for their outstanding qualities in such areas as fund-raising, philanthropies, and social events. They also help new pledges in becoming acquainted with sorority life by being a big brother to them. Zeta Tau Chapter of Delta Zeta Sorority is proud to have this fine group of men in association with the sisterhood and would like to congratulate them for being the top group of Golden Lamps in the State.

Tau Kappa Epsilon

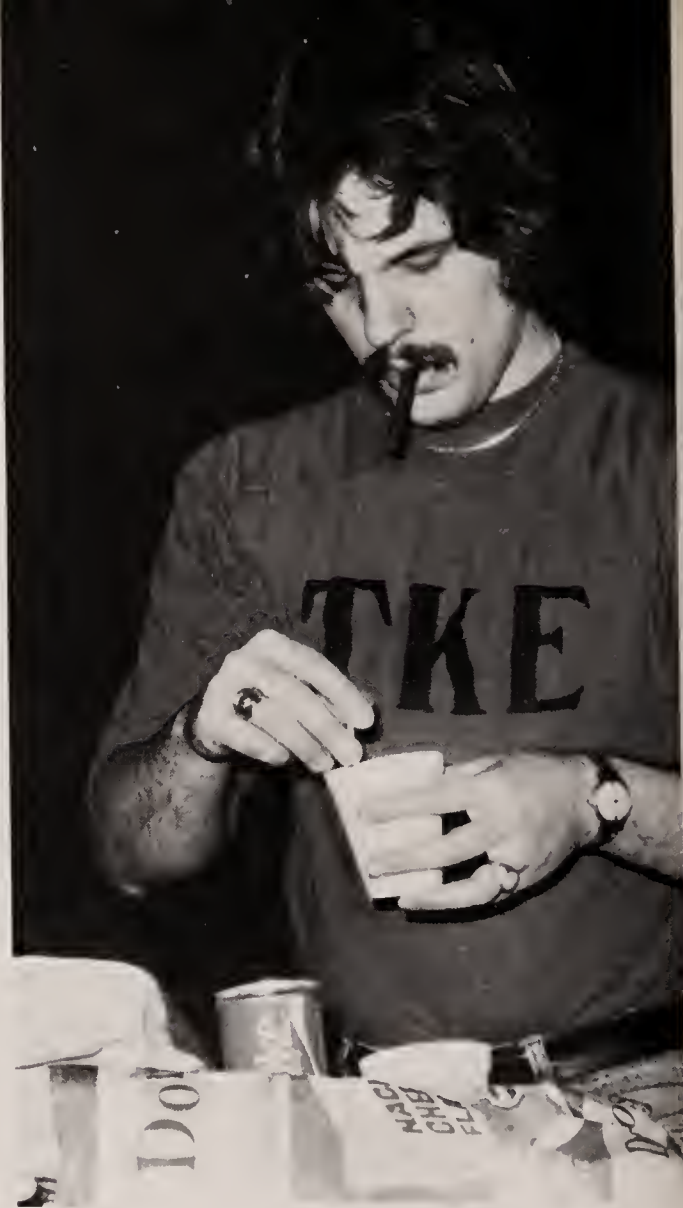

Tau Kappa Epsilon was started in 1962 by Dr. Fred Barkey and Dr. Terry King, TKE grew until 1969 when it was briefly absent from Morris Harvey. Reorganized in 1973, Tau Kappa Epsilon has grown from a few members to a membership of 43 strong. TKE is the only fraternity on campus that sponsors a formal dance for the students of Morris Harvey. Every March the TKE Playboy dance is held and the TKE Playmate is chosen from candidates sponsored by various campus organizations. Pictures of these candidates are sent to Playboy International, who then chooses the winner. The Order of Diana, the TKE Little Sisters, are also active at Morris Harvey. Each spring they sponsor the Mr. Mo Harv contest. Both TKE's and Little Sisters are involved in student government, varsity and intramural athletics, choir, yearbook and newspaper staff, as well as being chosen for school and national awards. These are just a few reasons why "TKE Is Unique."
